

FOR WEBSITE

Attention all 8th grade parents – please make sure your child has his/her teachers initial the high school ballot for class recommendations for next year. Parents – you need to sign the ballot and fill out the registration card, and then have your child bring all the completed paperwork back to school. *(You will need to provide your own copies required for registration. The school cannot provide copies for you).*

Enochs students are to bring the completed ballots to school on Wednesday, February 8th. They will be meeting with the high school counselors to hand in their ballots that day.

Beyer students are to bring their completed ballots to Mrs. Simpson in the front office by Tuesday, February 7th.

If students do not complete everything and turn it in on the correct day, they may be in danger of not getting into the classes they want. If you have any questions, please contact Dr. West, the counselor at Savage Middle School.
