2015-2016 Volunteer Policy: Sylvan Union School District

We value and encourage parent volunteerism in Sylvan Union School District. Parent participation is welcome at all schools in the District. Given the State/District's accountability requirements for staff and students, we reserve the right to limit parental participation in a student's classroom. Please schedule, in advance, your classroom visits/volunteer time with your child's teacher.

If you have questions, please feel free to contact your school site administrator or the Director of Student Support Services/CWA, (209) 574-5000 ext. 243.

District Policies on Volunteer Assistance and Field Trips

(Excerpts from Board Policy 6153 and Administrative Regulation 1240)

Volunteers are subject to school rules and regulations both on school campuses and on field trips. Parents acting as chaperones for a field trip may not bring other children on the trip. Their responsibility is to help monitor and supervise students assigned to them. Only students enrolled at school and in that particular class are allowed on field trips.

Supervisors of the trip are responsible for ensuring that the chaperones know their roles and responsibilities. The first task of a chaperone is to provide for the safety of participating students. Chaperones must be at least **twenty-five** (25) years of age unless employed by the school district or a parent of a child on the field trip.

Emergency situations are to be reported to the administrator or administrative designee as soon as possible. (Such situations would include but not limited to: serious injury, illness, or death; intoxication or possession of drugs/alcohol; arrest by the police; and/or extreme case of defiance, belligerence or insubordination that presents a threat to the safety and well-being of students or others.)
